Villas Passion - Santo da Serra

It is in the exuberance of the landscape where the charms of Madeira emerge.

Destination par excellence.

Madeira is a European subtropical island paradise ascending from the beautiful Atlantic Ocean.

Vast mountain ranges, green fields, pleasant temperatures, calm beaches and a cosmopolitan city can be appreciated on the divers getaways.

Only a 75 minutes flight from Portugal's capital and with a cruise liner docking port, Madeira is easily accessible internationally by air or sea.

“Madeira has one of the lower indices of crime of the Europe”

Villas Passion - Santo da Serra

Considered a destination of excellence by the World Center of Excellence of Destinations, Madeira received maximum punctuation in the following diverse categories: mountain & landscape, security, lodging, culture & inheritance, purchases, diving and gastronomy.

Known for its hospitality, Madeira is a world-wide reference for excellent hotels and tourism. The cuisine is praised for its outstanding meat, fresh fish and pastry.

And the Madeira wines...heavenly!!
